The opening day of a two-day program in July 04, 2009 was spent in Slovak guests' reception and his hospitality.

We organized a nationality meeting following day. A program with many colours agitated the inhabitants of a settlement and a neighbourhood. We started with a common mass in a chapel called Boldogasszony. Mass with a Slovak language Zemberovce's parish parson celebrated it. It emphasized that centuries-old endeavour of a church, helping in the conservation of the mother tongue and his nursing so in order for a god's verb to be allowed to get on his mother tongue to everybody. It was the turn of the common lunch in the primary school's court, following which the village story and the presentation of sights happened,. Wreathing began with a trumpet blast, symbolically that way reminding the person present, that this signaled the beginning of the work and his end in the quarry. Common wreathing locked it at the memory stone of lime kilns program. Folklore programs amused the person present afternoon in Rock Theatre (nationality bands / pilis nationality folklore between bands the Pilisszentkereszt one, falconer and Békásmegyer dance groups and choirs, his Pilisszántó choir and majorette group). Folklore was beginning following a program mine ball on which one his Pilisszántó brass band Santovska Nálada (Smile Band) was playing.
